### Choose Privacy Week

**May 1–7, 2019**

Choose Privacy Week promotes the importance of individual privacy rights and celebrates libraries’ and librarians’ unique role in protecting privacy in a digital age. The 2019 theme, “Inclusive Privacy: Closing the Gap,” draws attention to the privacy inequities imposed on vulnerable and historically underrepresented populations. Use these tools to proclaim your library’s dedication to privacy and amplify programs that champion equal, open, and inclusive privacy. Find resources and program ideas at chooseprivacyeveryday.org.

September is Library Card Sign-up Month

The toys are at your library and ready for adventure! Woody, Buzz, and friends know getting a library card is the ticket to fun. From borrowing books, movies, or museum passes, to enjoying story time or group play, there’s no end to the exciting activities your community can access with a library card.

In Disney•Pixar’s “Toy Story 4,” coming to theaters nationwide on June 21st, Woody has always felt confident about his place in the world and that his priority is taking care of his kid, whether that’s Andy or Bonnie. But when Bonnie adds a reluctant new toy called “Forky” to her room, a road trip adventure alongside old and new friends will show Woody how big the world can be for a toy.

Banned Books Week
September 22–28, 2019

Censorship leaves us in the dark by extinguishing information and silencing challenging discussions. But there are places that keep the light on, allowing everyone to access materials from an array of viewpoints. During Banned Books Week, inspire readers to spotlight censorship and explore the freedom to read with these illuminating materials.

Banned Books Week is an annual event that highlights the benefits of unrestricted reading and draws attention to censorship attempts. Find program and display ideas at ala.org/bbooks.
